■ **CAPABILITIES**

- Up to 10-color Flexographic Printing
- Digital CMYK+OVW
- Hybrid Digital Flexographic
- Rolls, Fanfold, Sheeted
- Embossing, Cold Foil, Overlam
- Liner Print

The Digital-Hybrid Advantage

Competitive pricing, shorter lead times and great quality images allow new options for prime labels, variable data printing (text and image), prototyping, seasonal and promotional packaging, and efficient production of families of labels. Utilize hybrid digital-flexographic printing as volumes grow to combine the advantages of digital and flexographic printing to execute high volume variable data.

Prime Labels

Ensure your brand stands out with high quality prime labels, tags and packaging.

Variable Print

Drive warehouse efficiency and seamlessly track products across the supply chain.

Thermal Paper Rolls

Reach your customers at point of sale with printed receipt rolls. BPA-free and Phenol-free options available.

Warehouse & Shipping

Communicate handling instructions and destination details for accuracy and efficiency.

Sustainable Options

Recyclable, Compostable, Dissolvable, Linerless and FSC Certified Materials, Zippered Shrink Sleeves, BPA-Free and Phenol-Free paper.

■ AUTOMATE LABEL SOLUTIONS

Delivering Quality Products & Service

We've earned our customers' trust by consistently delivering high-quality products on time, every time. Our commitment to excellence is ingrained in our values and service culture. Our customers trust us with their most critical and challenging projects because we deliver.

■ THE AUTOMATE ADVANTAGE

Label Experts

We can advise on face stock, ink and adhesive options that best represent your brand and meet your operational requirements.

Inventory Management

We offer customized Inventory Management programs, so you have what you need, when and where you need it. Our skilled Distribution Specialists handle label inventory and deliveries to cut production costs and ensure a reliable supply of label-related materials.

Customer Service

Our dedicated Customer Service Department is your partner in label design, production, and delivery. Our experts have comprehensive knowledge of the printing process and will guide your project from start to finish, with lead times typically less than two weeks. We go the extra mile to meet your urgent requirements.

**Our customers are
our valued partners.**

■ OPERATIONS CENTERS

Operations centers in MI, NC, NV, PA and TX allow us to strategically service customers across the United States.
